# Briant Broadband

LYMINSTER AND CROSSBUSH PARISH COUNCIL  
Broadband Solution

#### Lyminster Broadband Solution

- Deploy a cabinet in an accessible place – preferably within a friendly users property – requires power supply
- Run cables using Openreach Ducts and Poles at Briant Broadband cost.

#### Package options

- Briant Broadband 100 - £25
- Briant Broadband 150 - £30
- Briant Broadband 300 - £35
- Briant Broadband 500 - £40
- Briant Broadband 900 - £45
- VAT inclusive. Min sign ups – 30 (would need to be a reasonable spread of packages i.e. not all BB100).
- Three-year term
- Deployment 3 – 6 months

- Pros
- Speed of Deployment
- Very competitive prices
- Exclusive Private network
- Up to Gigabit speeds
- Remove Line rental costs
- Fixed price for 3 years
- Local Support
- No change to existing copper infrastructure (installed in parallel)
- Cons
- Exclusive network
- Othersupplierswillbeavailableviaexistingcopperlines • Three-year commitment

No requirement to have land line or line rental.

- We can however provide an optional VOIP “landline” service @ £9.99 per month for unlimited 01, 02 & 07 numbers excluding International and Premium numbers.
