

LYMINSTER & CROSSBUSH PARISH COUNCIL

**Agenda for meeting to be held on September 3rd, 2024, at
7.30pm.**

Venue; The Beefeater. Crossbush Lane, Crossbush.

[Clerk; lyminsterandcrossbush-pc.gov.uk](http://lyminsterandcrossbush-pc.gov.uk)

AGENDA.

- 1. Welcome & Apologies.**
- 2. Declarations of Interest.**
- 3. Agree & sign off last meeting's minutes.**
- 4. Matters arising from the last meeting.**
 - a. Naming of the new bypass.** The Clerk contacted Highways to ask if the Council could walk the new route when it opened and to offer suggestions to name the bridge over the Bypass, and the stretch of road which is now defunct on the A284. Dragon's Bridge and Knucker Copse have been suggested and are being considered.
 - b. The speed limit on the new road** joining the A284 is currently 50mph going on from 40mph on the old road, so we have requested that the limit be reduced to 40 mph to hopefully reduce the risk of accidents. Darryl Hemmings, (transport planning & policy manager WSCC (West Sussex County Council)), has responded that the case for improvements on the A284 will need to be explored following the opening of the Bypass, once it has been possible to observe traffic conditions, volumes, speeds, collisions etc. The Council should consider requesting this and any traffic calming needs to the Community Highway Scheme via the Area Office with Mike Dare once the bypass is open. He can help with setting out the case for any improvements. Any request would require the support of the

local county councilor, and we should liaise with him before submitting any applications.

- c. **The Clerk** had reported that the foliage on the access route to Arundel Station was overgrown and would need pruning. This has now been addressed.

5. Parishioners' Questions. No parishioners attended the meeting.

6. Finance. Clerk to report.

7. Planning.
