7. **Donations.** The Council discussed whether there should be a set amount ring fenced annually for this purpose. Also, how a decision should be made as to who benefits from any donations made. Cllr Thompson suggested we should choose a particular charity and set a limit on how much we should give annually. The council resolved to agree this at the next meeting having given it some thought.
8. **First responders and defibrillator training.** The clerk has arranged for training to be given to anyone in the village who feels they might like to benefit from this. It was suggested that we ask for one or two (preferably two) people in the area who might be willing to be FIRST RESPONDERS, should the need arise. **Clerk to put this on the website and village what's app group.**
9. **Planning.** There were no new planning applications.

It should be noted that the meeting was scheduled to take place at the usual venue of The Beefeater, Crossbush Lane. The venue was closed and we had not been given any notification of this. We therefore adjourned to the chairman's house in order to carry out the meeting. **Clerk to contact The Beefeater to ask for clarification.**
