1. **Welcome & Apologies.** There were no apologies.
2. **Declarations of Interest.** There were no new declarations.
3. **Agree & sign off last meeting's minutes.** These were agreed and signed off by the Chairman.
4. **Matters arising from the last meeting.**
 - a. Enquiry as to whether ADC would pay for waste bins for the area. It has been investigated and there are no funds available for this requirement.
 - b. Black Ditch bridge. The Clerk will be investigating the weight restrictions. Cllr Ashman has provided names to contact.
5. **Parishioners' questions.**

Some residents of Crossbush had asked if there could be speed signs erected on Crossbush Lane. It was deemed unnecessary and beyond the council's budget. The Quiet Road scheme and 20mph speed restrictions for Crossbush down to Warningcamp, will be implemented in 2026.
6. **Finance.** The Clerk reported that the current account stands at £5727.58. Savings account at £2013.15. We have had the first half of our annual precept. £6500.00The council resolved to pay Cllr Ashman for the purchase of two SID units. One half this financial year, the second in 2026.

7. **Planning.** Mobile field shelters. The chairman noted that no planning had been applied to these structures, and this was annoying residents of Crossbush. However, Cllr Langmead said that he believed no planning application was required. **The chairman will investigate.** There is no reason to object to these, but we should advise that planning is required if that is the case. The chairman said we should like to say that we are not approving of hard standing field shelters. SDNP/25/01261/FUL. The Clerk has registered our thoughts on this application to planning at ADC.
